

## QUESTIONNAIRE

Hello,

The Center for Legal Civic Initiatives is preparing a research paper on the impact of the pandemic situation on sustainability of civil society organizations working to address gender-based violence and domestic violence.

With this research paper we aim to analyze the impact of pandemic on NGOs working in this field and especially on their sustainability, what methods have been used by NGOs to adapt to the circumstances, what are some of the achievements and the main challenges that NGOs face regarding their resilience during the COVID-19 pandemic situation, some of the key opportunities for NGOs working against gender-based violence during this period, some of the lessons learned about sustainability of NGOs working in the field in this period as well as the recommendations we can formulate for CSOs, government, local government and donors as supporters of NGOs and their sustainability.

We would greatly appreciate it, if you take some time to complete this questionnaire by February 17, 2021.
